I. THE ELECTRONIC FILING SYSTEM

A. AUTHORIZATION FOR ELECTRONIC FILING

Standing Order No. 29 authorizes electronic filing in conjunction with Federal Rule of Criminal Procedure 57. Pursuant to Standing Order No. 29, the following procedures govern electronic filing in this district unless, due to extraordinary circumstances in a particular case, a judicial officer determines that these policies and procedures should be modified in the interest of justice.

B. DEFINITIONS AND INSTRUCTIONS

The following definitions and instructions shall apply to these Procedures for Electronic Filing:

- < The term “document” shall include pleadings, motions, exhibits, declarations, affidavits, memoranda, papers, orders, notices, and any other filing by or to the Court.
- < The term “party” shall include counsel of record and a pro se litigant.
- < The term “ECF” refers to the court’s Electronic Case Filing system.
- < The term “ECF Web site” refers to the official Internet site of the Southern District of Alabama at <https://ecf-live.alsd.uscourts.gov>.
- < An “ECF User” is a person who is registered to use the ECF site.
- < “Electronic filing” means uploading a pleading or document directly from the registered user’s computer, using the court’s Internet-based System, to file that pleading or document in the court’s case file. Sending a document or pleading to the court via e-mail does not constitute “electronic filing.”
- < The “E-Mail Address of Record” is the internet e-mail address of each party to the case as maintained by the Clerk.
- < A “Notice of Electronic Filing” is generated automatically by the ECF system upon completion of an electronic filing. The Notice of Electronic Filing when e-mailed to the e-mail addresses of record in the case acts as the proof of service.
- < The term “PDF” refers to Portable Document Format. A PDF document allows anyone to open the converted document across a broad range of hardware and software, with layout, format, links, and images intact. For

information on PDF, users may visit the websites of PDF vendors, such as <http://www.adobe.com/products/acrobat> or <http://www.fineprint.com>.

- < Procedures and instructions for using the Court's ECF system consistent with these policies may be found on the ECF Web site.
- < All hours stated shall be Central time.

C. TECHNICAL SPECIFICATIONS

While the system requirements may be set forth more completely in a User's Manual or other Court publication, it is expected that the following hardware and software will be needed to electronically file, view and retrieve documents in the electronic filing system. Other specifications are also indicated for optimum performance.

- < a computer running a Windows or a Macintosh operating system
- < Ability to convert documents from a word processor such as WordPerfect or Word to portable document format (PDF)
- < CM/ECF has been tested and work correctly with Netscape browser version 4.7x and Internet Explorer 5.5 (128 bit encryption is strongly recommended)
- < High speed internet access
- < Access to a scanner if non-computerized documents need to be imaged
- < When scanning documents to be subsequently filed electronically, filing parties should make certain their **scanners are configured for 200 dpi and black and white** rather than color scanning. The filing party is responsible for the legibility of the scanned document. If for any reason a document cannot be easily read after scanning, the filing party should not electronically file the document. Instead, the filing party must conventionally file it with the Clerk's Office.

Because large documents may not upload properly to the System or download within a reasonable amount of time for users with a 56K modem, documents over two megabytes will be rejected by the System and must be filed conventionally. You may, however, file your document in two-megabyte segments as attachments.

D. SYSTEM AVAILABILITY

The Court's system is designed to provide service 24 hours a day. The parties, however, are encouraged to file documents in advance of filing deadlines and during normal business hours. The Clerk's Office has established a Help Desk (1-800-000-MARIA) to respond to questions regarding the electronic filing system and the registration process and to receive voice mail messages. The Help Desk will be staffed business days from 8:00 a.m. to 5:00 p.m., and will be available at all other times to record voice mail messages. If a party is unable to file electronically and, as a result, may miss a filing deadline, the party must contact the Help Desk to inform the clerk of court of the difficulty. If a party misses a filing deadline due to an inability to file electronically, the party may submit the untimely filed document, accompanied by a declaration stating the reason(s) for missing the deadline. The document and declaration must be filed no later than 12:00 noon of the first day on which the Court is open for business following the original filing deadline. A model form is provided in the forms section (**Form C**).

E. SELECTION OF CASES

Unless otherwise permitted by these administrative procedures or unless otherwise authorized by the assigned judge, all documents¹ submitted for filing in this district after March 17, 2003 in civil cases, no matter when a case was originally filed, shall be filed electronically or shall be scanned and uploaded to the System. Documents may also be submitted for filing to the Clerk's Office on removable media (i.e. 3.5" disk or CD) as PDF ("Portable Document Format") files.

1. Parties proceeding pro se shall not file electronically.
2. A case filed under seal will be maintained in paper form and will not be placed on the System unless the assigned judge orders the case unsealed.
3. Juvenile criminal matters shall not be filed electronically unless, after hearing, the court rules that the juvenile shall be tried as an adult.
4. While registered attorneys of record will have remote access to documents in criminal cases, no public remote access will be available until further order of the court.² Public access to docket sheets in criminal cases, however, will be available.

¹The requirement that "all documents" be filed electronically includes briefs, transcripts of proceedings, and deposition transcripts used in support of motions or at trial.

²On March 13, 2002, the Judicial Conference of the United States approved an exception to the prohibition on public access to criminal case records. In a high-profile criminal case where the demand for documents will "impose

Also, members of the public may view electronic criminal files at the public terminals in the Clerk's Office.

5. An attorney may apply to the assigned judge for permission to file documents conventionally. Even if the assigned judge initially grants an attorney permission to file documents conventionally, however, the assigned judge may withdraw that permission at any time during the pendency of a case and require the attorney to file documents electronically using the System.
6. The Clerk's Office or any judge of this court may deviate from these procedures in specific cases, without prior notice, if deemed appropriate in the exercise of discretion, considering the need for the just, speedy, and inexpensive determination of matters pending before the court. The court may also amend these procedures at any time without prior notice.

F. REGISTRATION

1. Each attorney filing electronically must complete and sign an Attorney Registration Form, attached to these procedures as Form A. The form is also available on the court's web site at www.als.uscourts.gov.
 - (a) The court will issue logins and passwords only to attorneys in good standing. To be in good standing, an attorney must meet the requirements in Local Rule 83.5(b)(2) and (c). The login assigned will correspond to the attorney's code for the Southern District of Alabama.
2. All signed original Attorney Registration Forms shall be mailed or delivered to the United States District Court, 113 St. Joseph Street, Mobile, Alabama 36602, or faxed to 251-694-4673.
3. To ensure that the Clerk's Office has correctly entered a registering attorney's email address in the System, the Clerk's Office will send the attorney an email message after assigning the attorney a password. The Clerk's Office will then either mail password information to the attorney by regular, first-class mail, or the attorney may arrange to pick up his/her password at the Clerk's Office.

extraordinary demands on a court's resources," that court is authorized to provide Internet access to criminal case files "if all parties consent and the trial judge or presiding judge of an appellate panel finds that such access would be warranted."

On September 19, 2001, the Judicial Conference determined that the policy restricting remote public access to criminal records would be "re-examined within the next two years."

4. Once registered, an attorney may withdraw from participating in the System by providing the Clerk's Office with notice of withdrawal. Such notice must be in writing, and mailed or delivered to United States Courts, 113 St. Joseph Street, Mobile, Alabama 36602. Upon receipt, the Clerk's Office will immediately cancel the attorney's password and delete the attorney's name from any applicable electronic service list. An attorney's withdrawal from participation in the System shall not be construed as authorization to file cases or documents conventionally.
5. After registering, attorneys may change their passwords. However, if an attorney comes to believe that the security of an existing password has been compromised and that a threat to the System exists, the attorney must change his or her password immediately. In addition, the attorney shall immediately notify by telephone the Clerk's Office of the changed password and confirm the change by facsimile to prevent access to the System with the old password.
6. An attorney whose e-mail address, mailing address, telephone or fax number has changed from that of the original Attorney Registration Form shall timely file a notice of a change of address and serve a copy of the notice on all other parties.
7. **A PACER login is required, in addition to, the user ID and password issued by the court for CM/ECF.** To register for PACER, a user must complete the online form or submit a registration form, available on the PACER web site (<http://pacer.psc.uscourts.gov>).

G. LOGIN and PASSWORD

Each attorney admitted to practice in the Southern District of Alabama shall be entitled to one login and password from the District Court. The login and password permits the attorney to participate in the electronic retrieval and filing of pleadings and other papers.

1. No attorney shall knowingly permit or cause to permit his or her password to be utilized by anyone other than an authorized employee of his or her office.
2. Once registered, the attorney shall be responsible for all documents filed with his or her password.
3. Registration for a login and password is governed by Paragraph I(F).
4. An attorney admitted pro hac vice must register for a login and password in accordance with these Administrative Procedures.

II. ELECTRONIC FILING AND SERVICE OF DOCUMENTS

A. FILING

1. All charging documents (including the complaint, information, and indictment), motions, applications, briefs, memoranda of law, deposition transcripts, transcripts of proceedings, or other documents in a criminal case shall be electronically filed on the System except as otherwise provided by these procedures.

(a) E-mailing a document to the Clerk's Office or to the assigned judge shall not constitute "filing" of the document. A document shall not be considered filed for purposes of the Federal Rules of Criminal Procedure until the filing party receives a System-generated "Notice of Electronic Filing" described in II(B)1 of these procedures.

2. A document will be deemed timely filed if filed prior to midnight. However, if the time of day is of the essence, the assigned judge will order that document filed by a time certain.
3. If filing a document requires leave of the court, such as a motion to submit a reply brief, the attorney shall attach the proposed document as an exhibit to the motion according to the procedures in IV(B). If the court grants the motion, the order will direct the attorney to file the document electronically with the court.
4. Attachments and exhibits larger than two megabytes may be filed electronically in separate two-megabyte segments or may be submitted, bound, in conventional format. The filing party must serve conventional copies on all other parties to the case.
5. The Clerk's Office shall not maintain a paper court file in any case begun after the effective date of these procedures except as otherwise provided in these procedures. The official court record shall be the electronic file maintained on the court's servers. The official record shall include, however, any conventional documents or exhibits filed in accordance with these procedures.

(a) The Clerk's Office will retain all paper documents submitted for filing after they are scanned and uploaded to the System.³

³If an attorney believes an original document has some intrinsic value, the attorney is encouraged to retain the original document and submit to the Clerk's Office a copy of the document with faxed or photocopied signatures for scanning and uploading.

6. An official transcriber or contract court reporter must file the certified transcript of those proceedings electronically on the System or submit to the Clerk's Office for uploading to the System a 3.5" disk, or CD containing the certified transcript of the proceedings in PDF format. A transcriber or court reporter will not receive payment until the transcriber or reporter has filed a certified transcript electronically or submitted it to the Clerk's Office on disk.

B. SERVICE.

1. Whenever a pleading or other paper is filed electronically in accordance with these procedures, the System shall generate a "Notice of Electronic Filing" to the filing party, any other party who is a registered user and has requested electronic notice in that case,⁴ and the assigned judge if he or she has elected to receive notice.
 - (a) If the recipient is a registered participant in the System, the System's e-mailing of the "Notice of Electronic Filing" shall be the equivalent of service of the pleading or other paper by first class mail, postage prepaid.
 - (b) Service of the "Notice of Electronic Filing" on a party who is not a registered participant in the System may be accomplished by e-mail, subject to the additional service requirements of II(B)(3) below.
2. A certificate of service on all parties entitled to service or notice is still required when a party files a document electronically. The certificate must state the manner in which service or notice was accomplished on each party so entitled. Sample language for a certificate of service is attached to these procedures as Form B.
3. A party who is not a registered participant of the System is entitled to a paper copy of any electronically filed pleading, document, or order. The filing party must therefore provide the non-registered party with the pleading, document, or order according to the Federal Rules of Criminal Procedure. When mailing paper copies of documents that have been electronically filed, the filing party may include the "Notice of Electronic Filing" to provide the recipient with proof of the filing.

⁴To determine whether another party is a registered user, the filer can select the System's "Utilities" category, and then click on "Mailing Information for a Case" on the pull-down menu. The filer then enters the case number and the System information will appear, stating whether or not the filer must mail a copy or if the System will electronically generate one.

4. The three-day rule of Federal Rule of Civil Procedure 45(e) for service by mail shall also apply to service by electronic means.⁵
5. A filer who elects to bring a document to the Clerk's Office for scanning and uploading to the System must serve conventional copies on all non-registered parties to the case and should expect some delay in the uploading and subsequent electronic noticing of the document. If time is an issue, filers should consider paper service or service by an alternate means on registered parties, such as e-mail or fax.

C. SIGNATURES AND AFFIDAVITS

1. A pleading or other document requiring an attorney's signature shall be signed in the following manner, whether filed electronically or submitted on disk to the Clerk's Office: "s/ (attorney name)." The correct format for an attorney signature is as follows:

s/ Judith Attorney
Judith Attorney Bar Number: 12345
Attorney for (Plaintiff/Defendant)
ABC Law Firm
123 South Street
Mobile, Alabama 36602
Telephone: (251) 123-4567
Fax: (251) 123-4567
E-mail: judith_attorney@law.com

2. Certain documents which must contain original signatures other than those of a participating attorney or which require either verification or an unsworn declaration under any rule or statute, shall be filed in paper, scanned and electronically filed in the ECF system, and maintained in the Clerk's office.

D. FEES PAYABLE TO THE CLERK

Any fee required for filing a pleading or paper in District Court is payable to the Clerk of the Court by credit/debit card, check, money order, or cash. The Clerk's Office will

⁵Attorneys should be aware that the response due date, which appears when either electronically filing a motion or querying deadlines, is for court use only and should not be relied upon as an accurate computation of the response date.

document the receipt of fees on the docket with a text-only entry. The court will not maintain electronic billing or debit accounts for lawyers or law firms.

E. ORDERS

1. The assigned judge or the Clerk's Office shall electronically file all signed orders. Any order signed electronically has the same force and effect as if the judge had affixed the judge's signature to a paper copy of the order and it had been entered on the docket conventionally.
2. When mailing paper copies of an electronically filed order to a party who is not a registered participant of the System, the Clerk's Office will include the Notice of Electronic Filing to provide the non-participant with proof of the filing.
3. The assigned judge or the Clerk's Office, if appropriate, may grant routine motions by a text-only entry upon the docket. In such cases, no PDF document will issue; the text-only entry shall constitute the court's only order on the matter. The System will generate a "Notice of Electronic Filing" as described in II(B)(1) of these procedures.

4. Submitting a Proposed Orders

Proposed orders may be submitted electronically or in paper form. All proposed orders submitted electronically must be in PDF format and must be: (1) attached as an exhibit to a motion; or (2) submitted separately and identified as "proposed." If the judge approves the proposed order, it will be electronically signed and re-filed under a separate document number.

(a) A filing party moving for issuance of a writ, warrant, or summons should advise the judge that a prompt ruling is required, and attach the writ, warrant, or summons in PDF format.

(b) A motion to file documents under seal shall be made in the manner specified in III(A) of these procedures.

5. Filing Proposed Documents

If the document you wish to file requires leave of Court the proposed document shall be attached as an exhibit to the motion.

F. TITLE OF DOCKET ENTRIES. The party electronically filing a pleading or other document shall be responsible for designating a docket entry title for the document by using one of the docket event categories prescribed by the court.⁶

G. CORRECTING DOCKET ENTRIES.

1. Once a document is submitted and becomes part of the case docket, corrections to the docket are made only by the Clerk's Office. The System will not permit the filing party to make changes to the document(s) or docket entry filed in error once the transaction has been accepted.
2. A document incorrectly filed in a case may be the result of posting the wrong PDF file to a docket entry, or selecting the wrong document type from the menu, or entering the wrong case number and not catching the error before the transaction is completed. **The filing party should not attempt to refile the document.**
3. As soon as possible after an error is discovered, the filing party should contact the Clerk's Office with the case number and document number for which the correction is being requested. If appropriate, the court will make an entry indicating that the document was filed in error. The filing party will be advised *if* the document needs to be refiled.

H. TECHNICAL FAILURES. The Clerk's Office shall deem the Southern District of Alabama CM/ECF site to be subject to a technical failure on a given day if the site is unable to accept filings continuously or intermittently over the course of any period of time greater than one hour after 10:00 a.m. that day. Known systems outages will be posted on the web site, if possible.

1. Problems on the filer's end, such as phone line problems, problems with the filer's Internet Service Provider (ISP), or hardware or software problems, will not constitute a technical failure under these procedures nor excuse an untimely filing. A filer who cannot file a document electronically because of a problem on the filer's end must file the document conventionally or contact the Clerk's Office for permission to file the document provisionally via fax. If the filer provisionally files a document, the filer then must conventionally or electronically file the document within forty-eight hours after faxing it.

⁶Readers may view the "CM/ECF Criminal Menu for Attorneys" on the court's web site, <http://www.als.uscourts.gov/cmecf/index.html>.

2. A filing party whose filing is made untimely as the result of a technical failure of the court's CM/ECF's site may seek appropriate relief from the court.

I. PRIVACY

To address the privacy concerns created by Internet access, you should not include certain types of sensitive information in any document filed with the court unless such inclusion is necessary and relevant to the case. If sensitive information must be included, certain personal and identifying information, i.e., financial account numbers, dates of birth and the names of minor children, must be **redacted** from the pleading, whether it is filed traditionally or electronically. In addition, exercise caution when filing documents that contain the following:

1. Minors' names: Use the minors' initials;
2. Dates of birth: Use only the year;
3. Personal identifying numbers, such as driver's license number;
4. Social Security numbers: Use only the last four numbers;
5. Medical records, treatment and diagnosis;
6. Employment history;
7. Financial account numbers: Identify the name or type of account and the financial institution where maintained, but use only the last four numbers of the account number;
8. Proprietary or trade secret information; and
9. Other data as permitted by order of the court.

Counsel is strongly urged to share this information with all clients so that an informed decision about the inclusion, redaction and/or exclusion of certain materials may be made. It is the **sole responsibility of counsel and the parties** to ensure that redaction of personal identifiers is done. The clerk **will not** review each pleading for redaction. Counsel and the parties are cautioned that failure to redact personal identifiers and/or the inclusion of irrelevant personal information in a pleading or exhibit filed electronically with the court may subject them to the full disciplinary and remedial powers of court, including sanctions pursuant to Fed.R.Civ.P. 11.

III. CONVENTIONAL FILING OF DOCUMENTS. The following procedures govern documents filed conventionally. The court, upon application, may also authorize conventional filing of other documents otherwise subject to these procedures.

A. DOCUMENTS TO BE FILED UNDER SEAL

A party may, but is not required, to file electronically a motion or application to file documents under seal. A motion or application not filed electronically shall be presented

in conventional format to the chambers of the assigned magistrate or district judge along with a proposed order. If the motion or application is granted, the assigned judge, or designee, will enter electronically the order authorizing the filing of the documents under seal. The filing party shall then deliver the documents to the Clerk's Office for conventional filing under seal.

B. PRO SE FILERS

Pro se filers shall file paper originals of all complaints, pleadings, motions, affidavits, briefs, and other documents which must be signed or which require either verification or an unsworn declaration under any rule or statute. The Clerk's Office will scan these original documents into an electronic file in the System, but will also maintain a paper file.

D. SERVICE OF CONVENTIONAL OR 3.5 INCH FLOPPY/CD FILINGS

Pleadings or other documents which are filed conventionally, on 3.5 inch floppy disk, or CD, rather than electronically shall be served in the manner provided for in, and on those parties entitled to notice in accordance with, the Federal Rules of Criminal Procedure except as otherwise provided by order of the Court.

E. RETENTION OF ORIGINALS OF DOCUMENTS REQUIRING SCANNING

Originals of documents requiring scanning to be filed electronically must be retained by the filing party and made available, upon request, to the Court and other parties for a period of two years following the expiration of all time periods for appeals.

IV. EXHIBITS.

A. EVIDENCE NOT IN SUPPORT OF A MOTION. This section applies to exhibits other than those submitted in support of a motion, *e.g.*, an attachment to a complaint. Exhibits submitted in support of a motion are governed by IV(B) of these procedures.

1. A party may conventionally submit exhibits which are not available in electronic form or which are too lengthy to electronically image, *i.e.*, "scan." Lengthy documents submitted to the Clerk's Office in paper form should be bound with two or three-hole punches. The Clerk's Office will note on the docket its receipt of the document(s) or exhibit(s) with a text-only entry.
2. If possible, however, a filing party should electronically image, *i.e.*, "scan," a paper exhibit that is less than two megabytes and submit the exhibit as a PDF file. But because PDF files containing scanned documents take up considerably more space on the System than PDF files containing electronically generated documents,

filing parties may submit PDF files containing scanned documents of more than two megabytes only if they are filed in separate two-megabyte segments.

3. Because documents scanned in color or containing a graphic take much longer to upload, filing parties must configure their scanners to scan documents at 200 dpi and in black and white rather than in color. Documents appearing in color in their original form, such as color photographs, may be scanned in color and then uploaded to the System.
4. The filing party is required to verify the readability of scanned documents before filing them electronically with the court.
5. Exhibits submitted conventionally shall be served on other parties as if not subject to these procedures.

B. EVIDENCE IN SUPPORT OF A MOTION. In general, evidence in support of motion should be not be filed conventionally.

1. A party electronically submitting evidentiary materials to the Clerk's Office in support of a motion shall also file electronically a separate index listing each item of evidence then being filed and identifying the motion to which it relates. A filing party may instead submit the index on paper, which the Clerk's Office will scan and upload to the System, or may submit the index on disk.
2. If possible, however, a filing party should electronically image, *i.e.*, "scan," a paper exhibit that is less than two megabytes and submit the exhibit as a PDF file. But because PDF files containing scanned documents take up considerably more space on the System than PDF files containing electronically generated documents, filing parties may submit PDF files containing scanned documents of more than two megabytes only if they are filed in separate two-megabyte segments.
3. Because documents scanned in color or containing a graphic take much longer to upload, filing parties must configure their scanners to scan documents at 200 dpi and in black and white rather than in color. Documents appearing in color in their original form, such as color photographs, may be scanned in color and then uploaded to the System.
4. The filing party is required to verify the readability of scanned documents before filing them electronically with the court.
5. A party submitting evidentiary materials in conventional format shall file also file in conventional format an index of evidence listing each item of evidence then being

filed and identifying the motion to which it relates. Lengthy documents submitted to the Clerk's Office in paper form should be bound with two or three-hole punches.

6. Copies of conventionally filed supporting materials shall be served on other parties as if not subject to electronic filing procedures.

C. TRIAL EXHIBITS

Exhibits presented for trials and other proceedings will not be filed electronically. Such documents will not be placed into the electronic filing system unless and until they are admitted as part of the official public record. The party submitting the exhibits may be required to resubmit the documents in electronic format once they are admitted into the public record.

V. PUBLIC ACCESS TO THE SYSTEM DOCKET

A. PUBLIC ACCESS AT THE COURT

Electronic access to the electronic docket and documents filed in the System is available for viewing to the public at no charge at the Clerk's Office during regular business hours. A copy fee for an electronic reproduction is required in accordance with 28 U.S.C. § 1930.

B. INTERNET ACCESS

1. Remote electronic access to the System for viewing purposes is limited to subscribers to the Public Access to Court Electronic Records ("PACER") system. The Judicial Conference of the United States has ruled that a user fee will be charged for remotely accessing certain detailed case information, such as filed documents and docket sheets in criminal cases, but excluding review of calendars and similar general information.⁷

⁷According to a memorandum from the Administrative Office of the United States Courts dated April 9, 2002, non-judiciary CM/ECF users will be charged a fee of seven cents per page starting on July 1, 2002, to access electronic data such as docket sheets and case documents obtained remotely through the PACER system. A cap of thirty pages per document has been approved.

The access fee does not apply to official recipients of electronic documents, i.e., parties legally required to receive service or to whom service is directed by the filer in the context of service under Federal Rules of Civil Procedure. Official recipients will receive the initial electronic copy of a document free to download as they see fit, but if they remotely access the document again, they will be charged seven cents a page.

2. Until further order of the court, no one but an attorney of record may remotely view records in criminal cases. Public remote access will be limited to viewing docket sheets only.
3. An exception to the prohibition on public remote access to criminal case filings is possible in a high-profile criminal case where the demand for documents will impose extraordinary demands on the court's resources. The district court is authorized to provide Internet access to the documents filed in that case if all parties consent and the trial judge finds that such access is warranted.

C. CONVENTIONAL COPIES AND CERTIFIED COPIES

Conventional copies and certified copies of electronically filed documents may be purchased at the Clerk's Office. The fee for copying and certifying will be in accordance with 28 U.S.C. § 1914.

Pursuant to Federal Rule of Civil Procedure 11, every pleading, motion and other paper shall be signed by at least one attorney of record or, if the party is not represented by an attorney, all papers shall be signed by the party. An attorney's/participant's password issued by the court combined with the user's identification, serves as and constitutes the attorney's/participant's signature. Therefore, an attorney/participant must protect and secure the password issued by the court. If there is any reason to suspect the password has been compromised in any way, it is the duty and responsibility of the attorney/participant to immediately notify the court. This should include the resignation or reassignment of the person with authority to use the password. The Court will immediately delete the password from the electronic filing system and issue a new password.
3. Each attorney desiring to file pleadings or other papers electronically must complete and sign an Attorney Registration Form. Registration as a Filing User constitutes: (1) consent to receive notice electronically and waiver of the right to receive notice by first class mail pursuant to Federal Rule of Civil Procedure 5(b)(2)(D); (2) consent to electronic service and waiver of the right to service by personal service or first class mail pursuant to Federal Rule of Civil Procedure 5(b)(2)(D), except with regard to service of a summons and complaint. Waiver of service and notice by first class mail applies to notice of the entry of an order or judgment. Notice by electronic means is complete as set forth in this court's Standing Order No. 29, which is available on our website at www.als.uscourts.gov.
4. A user accesses court information via the court's Internet site or through the Public Access to Court Electronic Records ("PACER") Service Center. Although the court manages the procedures for electronic filing, all electronic public access to case file documents occurs through PACER. **A PACER login is required, in addition to, the login and password issued by the court.** To register for PACER, a user must complete the online form or submit a registration form, available on the PACER web site (<http://pacer.psc.uscourts.gov>).
5. By this registration, the undersigned agrees to abide by all of the rules and regulations in Standing Order No. 29, *In Re: Procedural Rules for Electronic Case Filing* currently in effect and any changes or additions that may be made to such Administrative Procedures in the future.

APPENDIX A

Setting Up E-Mail Notification

Users can receive e-mail notification of all electronic filings in cases they are interested in by setting the automatic e-mail notification in their user accounts.

! Access the "Live" system. (Please note that the "Live" electronic filing system and the "Training Area" are different systems. Setting your e-mail notification in one system does not set it in the other.)

! Click on "*Utilities*"

! Click on "*Maintain Your Account*"

! Click on "*Email Information*"

! Enter your correct email address in the "*Primary e-mail address*" box. You may include more than one e-mail address (i.e. work, home).

! Under "*Send the notices specified below*", there will be a **U** next to "*to my primary e-mail address.*" Click on the box "*to these additional addresses*" to identify any additional email addresses of others you would like to receive electronic notice (i.e. an associate, para-legal, secretary).

! You will find a **U** next to "*Send notices in cases in which I am involved*". Click on the box "*Send notices in these additional cases*" to receive notification of activity for other cases. In the box to the right, enter the case numbers each on a separate line. Please use the format YY-#### (ex. 97-1234). You do not have to be a party in the cases entered.

! Select the type of notice you would like to receive. Notice "*Send a notice for each filing*" is automatically selected. This selection sends notices to you immediately upon filing. Click on "*Send a Daily Summary Report*" to have a summary of the notices sent to you at the end of the day (usually at midnight). If you seek electronic notice in only a handful of cases, this selection is the preferred method.

! Under Format notices, select the format of the notice most appropriate to your e-mail system. Select "*html format for Netscape or ISP e-mail service*" or "*text format for cc:Mail, GroupWise, other e-mail service.*" Some experimentation may be required.

! Click on "*Return to Account Screen.*" From the Account Screen, select "*Submit.*" You will receive a confirmation screen listing the cases and e-mail options you have selected.
